

## **Evangelism Report: January, 2012**

**Kitchen Fund and New Tables:** Have been ordered using money from the Kitchen Fund and one memorial fund. Ideas about what to do with the old round tables would be appreciated – donations, selling, etc.?

**Kitchen and Coffee:** Greg Schumann has been making coffee often in the last few weeks– we will continue with the sign up sheet. Ideas for cleanup of the coffee on Sundays would also be appreciated – it is important that they be unplugged on Sundays after services.

**Living Nativity:** We had about 150 cars drive through the Living Nativity and more walkers this year than in the past couple of years. This might have been because the weather was warm – we were short a few actors, but many people were able to do double shifts. The Times Call article was published the Saturday before the event and may have helped generate traffic. However there were not as many cars as last year when we had 180. David Bruce has volunteered his sheep and hay again for 2012.

**New Member lunch:** We will provide lunch for prospective new members on January 22, before their Inquirers' Class, and have photos and flowers on Sunday, the 29<sup>th</sup> for those who join.
