

Social Action Council Report
January 12, 2010

Thank you

- For the generous donations for the Nicaragua scholarship program - \$708.95 was donated and there was a \$250 match from Thrivent. This amount will provide 2 4/5 scholarships.
- To the choir (and other members) who sang Christmas carols at Spangler on December 18th.

Up Coming Events:

- In January, Marilyn Voorhis will once again run the drive to collect men's warm coats, blankets and sleeping bags. This is in support of the H.O.P.E. project that provides food and clothing for the homeless on a nightly basis. The work of H.O.P.E. is in addition to services offered by the OUR Center. LOC is one of the churches involved with this effort.
- There is a new idea re having a children's clothing swap – giving any money raised to possibly OUR Center and/or give left over items to OUR Center – If this idea gains momentum it will be brought to council for approval.
